The unique storytelling style, relatable characters, and plot twists make it a rewarding enhancement to your bookshelf. So, if you're trying to find an exciting read, *The Pillowman A Play* is definitely worth taking into consideration.

REVIEW OF THE PILLOWMAN A PLAY

- This book is engrossing because Crichton seems to make a 180 degree turn in the way he sees the world throughout the course of the narrative. His personal evolution involves many interesting, sometimes bizarre adventures that made me look at the practice of medicine and new age philosophies in a very different light.

- I seriously hope this book is written and designed to be taken as comedy and not a self-help book. Any one who uses this as the foundation for her relationship is begging for ruin. I'm happily married and for some unknown reason a relative handed it to me with the words "i think you'd enjoy this" to this day i'm still unsure of how to take that. It urges women to manipulate men they are interested in, act snobbish, lazy and often just plain rude. I read some of the parts to my husband who agreed it's an extreme. Of course who don't want to act like an obsessive doormat, but being a controlling seemingly uninterested b-tch isn't any better. It also casts men in a very negative light. Of course there are always going to be jerks in the word, but there are alot of good guys out there too, if you take this book to heart you'd come away thinking all men want is sex, sex, food, more sex. According to this book, no man wants to get married, have children or anything above a one night stand.Men, if you see your lady reading this book, RUN.Women, if you are reading this book, take what it says lightly and with many many grains of salt.
