## **REVIEW OF PRONUNCIATIO N AND PHONETIC SYMBOLS PDF WORDPRESS**

- Lord of the Flies by William Golding was an excellent book that can be read on multiple levels--literal, symbolical, and political. This novel really made one think about events and people in this world. For instance, Piggy and Raplph are symbolic

representations of abstract things in life. After reading *Catcher in the Rye*, this book was very good. This book offers much to the reader and to a twentieth century world where genocide and world wide destruction is possible. Excellent read for anyone.

- I am a Christian, and do not believe in the evolutionary theory. But "de-evolution" is real! It is when we regress to our primitive

instincts. I believe it is more psychological than it is about evolution. And that is the premise for "*Lord of the Flies*:" a frightening look at de-evolution. It is a dark novel full of violence and the end of innocence. It will chill you to the bone! This is a must-read for all! It'll let people know why the children of today act the way they do, and why they need adults to guide them through life! Grade: A-
