## **REVIEW OF MANAGING HUMAN RESOURCES 14TH EDITION BOHLANDER SNELL**

- This is a great novel that I enjoyed very much. The way the author wrote the book made everything so realistic, it seemed as if you were actually part of the story. The plot twist was great, leaving you interested throughout the book. A great read for anyone!
- Witty and poignant, The Way of the World is a bit of a heavy read, unless you happen to be schooled in 18th Century colloquialisms. The theme is timeless, and with the right contemporary author, could be adapted for modern audiences. A thrashing commentary on social graces in the face of debauchery and betrayal, the hero and heroine, in true comic fashion, finally win out.
