REVIEW OF PAPERBOY

- I first read "Cien Anos de Soledad" in 1976 when I was in jail in Saltillo, Mexico, in fact, I loved this book so much I learned spanish reading this book. Four hundred years from now as we read "Don Quijote" today - they will be reading this book. It is a novel for the ages.
- I resisted reading this book for 10 years, even though my friends told me how good it was. I had glanced at it before and had not been taken by it. But by chance I picked it up one day and the first page bloomed and the second even more and the the third even more and so on and so on.... One of the greatest novels of all time, written by a contemporary novelist. Incredible!
