REVIEW OF 14 YAMAHA SERVICE MANUAL XV95

- this is a great little book. it's filled with inspiring quotes and made me feel warm inside. i carry it around with me wherever i go, and even though i've read it hundreds of times, i'll always surprise myself when i read the same quote, but it has a whole new meaning to me. this is great.
- Despite the 'classic' old-fashioned structure to the prose, I couldn't put the book down. Burroughs glosses over quite a bit of the world I would have liked to see more fully explored but I'm hoping that these details will come as the series unfolds. I also wish he'd taken more time to develop John Carter and not rushed the ending as I feel he did but this is only book 1 of many. I'm so glad I read this (thank you Disney for providing the impetus) and will definitely be reading the next book in the series.
