REVIEW OF ECONOMIA DEL SETTORE PUBBLICO

- Back Cover description: Joshua Wade

was convinced that Regan was plotting to disrupt his wedding. Why else would she have agreed to organize the big day when she clearly had a grudge against him? Still, there was unfinished business between them: a reckless one-night stand just two months ago...Regan did have a hidden reason for getting close to Joshua's family. Only she could never reveal her secret plans-not even when Joshua confessed his engagement was a sham and he wanted his ring on Regan's finger!The first 96 pages and the ending are worth four stars. The rest of the book is fine too. The only quibble I have is that Joshua spent way too much time engaged to the wrong woman. The plot description above is wrong in that she doesn't know whose wedding she is organizing until she gets to meet the groom to be. There is a sub-plot about the brother that goes on too long and I wonder if Ms. Napier ever wrote a book about Joshua's son?

- Opened my eyes to new ideas (to me) in color. VERY helpful in helping me to choose more wisely which colors to use when constructing my own paintings, and how slight variations in colors will affect the whole artwork dramatically. Informative and interesting.
