## **REVIEW OF CHILDRENS SERMONS FOR ADVENT**

- I like the book better than the movie personally, because the book has such things as Zoo-of-Death. The albino in the moive the got clubbed over the head and did nothen else, but in the book the albino showed them the way and gave them his wheelbarolw. the only good part of the movie i though was that the maricle man was played by Billy Crystal, and his wife (The witch) was really really scary looking. On the cliffs of insanity the horses weren't white like they were suppose to be and Prince Humperdink wasn't a big masculine guy like in the book he was and could switch horses wile he was riding so no one horse had to bear all of his weight all the way through the ride. In the movie the albino was pushing a "hand-cart" , wile in the book he had a "Wheelbarrol". Again i felt that the book was ALOT better than the movie. In the movie Westly wasn't very well played amd look alittle "odd".

- I absolutely loved this book! When I was forced to read it for English class, I was glad to find out that it was actually a good book for once! I found it hard to put down, and although it seems to be a long book, it was over before I knew it! The story keeps you in suspense, and is pretty funny too. I recommend it to people of all ages!
