REVIEW OF IN AND OUT OF ANOREXIA THE

STORY OF THE CLIENT THE THERAPIST AND THE PROCESS OF RECOVERY

- This is the first book in the series of the Boelyn girls that I was

referred to. I liked it so well, I have since read the others!

- There's only one thing worse than this book - and that's the television programme that was made from it. Don't know if it's been screened in the US yet but believe me, it was truly terrible.
