REVIEW OF A PRAYER FOR THE CITY HG BISSINGER

- After you read this book you will feel more powerful because you have some valuable information in your hands. I contacted the radio stations and some of them offered to play my songs. Without Platinum Millennium I would be still nobody now but they helped me succeed. You can't imagine how it is to hear your song played on the radio: It's wonderful! This book has a lot of information for a novice like me who doesn't know where to start and I have no words to describe how amazing this book is.
- This book is advertised that it would be a good cookbook to go along with the tortilla shell pans that I ordered. It doesn't, as it's all regular and roll-up type tortilla recipes.
