Keep in mind, reading reviews can assist you make informed choices about what to review following and can expose you to new authors and categories you could not have taken into consideration previously.

REVIEW OF LPC BLP REVISION NOTES BING S BLOG

- Half soap, half Agatha Christie mystery, this story of New Orleans in the late 1940s is a charming and compelling story of love, deception, and murder. Populated by a complex and endearing (or repelling) cast of characters, this is an excellent story. (And why isn't it in print?!) Starting off at the restaurant Antoine's, it follows extremely rich playboy Orson Foxworth (yes, that is his real name) introducing his lovely niece Ruth Avery to the rich'n'famous of New Orleans. Among them are the beautiful Amelie Lalande, a self-absorbed but very lovely widow that Foxworth wants as a lover but is willing to marry; Odile St. Amand, Amelie's daughter, who is suffering from a disease she tries to hide; Leonce St. Amand, Odile's philandering husband; Caresse Lalande, Odile's little sister who is on the brink of a full-fledged affair with Leonce; Vance Perrault, a doctor who cares deeply for Odile; Odile's ex-lover, Sabin Duplessis; Joe Racina, a brilliant journalist, and many many others...After a fateful night where Odile's shaking hands cause her to spill wine on herself (similar to a bloodstain), Amelie refuses Foxworth's proposal as she doesn't want to leave her poor invalid daughter alone, and Leonce attempts a seduction. Motives are abundant when Odile is found dead in her bedroom - shot through the heart with a gift from her ex-lover. Many lives and destinies will change (some for the better, some for worse) before Odile's killer finds justice of a sort...The pace is pleasant and gradual, allowing us excellent insight into the characters. The descriptions of luxurious houses, restaurants and clothing (especially clothing!) are evocative and entertaining. No threads are left untangled, and the question of motive and reason is, frankly, as excellent as that of the Grand Mistress of Mystery, Agatha Christie. There is only one thing that kept this from being a five-star book: As it was written in 1948, this book has a rather stereotyped portrayal of African Americans, especially Odile's loving nurse Tossie. Despite the stereotype, I was pleased that Tossie was not played for laughs and was one of the more insightful characters in the story. The reader automatically connects with her (especially regarding her low, low, LOW opinion of Leonce) and is warmed by the last chapter regarding her. Though Ruth Avery is sort of the heroine, she is nevertheless not the central character. She is strong and independent, with little thought of social position; and, after Odile's murder, so is Caresse (whom I expected to hate but ended up liking). I hated Leonce, was charmed by Orson Foxworth and Joe Racina. I found the character of Amelie Lalande to be highly annoying, with her self-centered artificiality. Though there are a few pitfalls in this book, it is nevertheless an entertaining (and pretty clean as well) story about mystery and passion in New Orleans, a beautiful city. Well worth the read.

- I have been struggling to have my children be more obedient and to stop arguing with and each other. They were unhappy, my husband was unhappy, and I was unhappy. This book gave us not only some general strategies but also some suggestions on what to say in various situations. We are making great progress and the children are using it at school. We are becoming a more happy family!!
