REVIEW OF LIBERIA AMERICAS FOOTPRINT IN AFRICA MAKING THE CULTURAL SOCIAL AND POLITICAL CONNECTIONS

- Like many other reviewers of this paperback collection, I have never been a big Superman fan (just too darn powerful). But this is awesome and I intend to buy the hardcover. A truly daring Superman deconstruction-- landing in the Ukraine instead of Smallville, raised in Stalinist Russia, etc.Alternative history at its best.

- Read it you won't be disappointed. So much grey area between good and evil. really loved the blurred lines. Superman as a commie has so much more depth of character than his 1950s Americana counterpart.
