REVIEW OF EL AMOR EN INTERNET ESTHER GWINNELL

- I thought it's a score book, just like "The Corrs / The Corrs", but I am totally wrong.

- This translation is the best out there at the moment. It is literal enough to study with; yet easy enough to read so that the text is easily followed by those listening to it. The thinline version is a good size and I like the fact that this edition does not have red letters for Christ's words. I do wish that the Thinline Edition would have a reference system; but I guess you can't have everything! I would highly recommend this edition and version!!
