### REVIEW OF MATHEMATICAL ECONOMICS ALPHA CHIANG SOLUTION MANUAL

- Good price. It sure made one think  
about what went on and if it could  
happen here. Everyone in the book club  
liked it.
- I thought about giving it 4 stars,  
because I needed to know what  
happened at the end and I felt a bit sad  
the book only speculated. But, this is a  
great Dystopian book, before the genre  
really became popular.
