**REVIEW OF STRATEGIC MANAGEMENT HITT AND IRELAND 10TH EDITION**

• Gone With The Wind is no doubt THE classic Civil War novel. However, the major characteristic that

enables it to achieve its greatness also condemns Scarlet to a life of unrequited love and dooms her potential for happiness with Rhett. That attribute is that it is written entirely from the woman's viewpoint. The perspective is a strength because it permits the author to vividly portray the destruction of Southern society better than any battlefield-centered novel could. Regrettably, it also leaves the author, and therefore Scarlet as well, incapable of understanding the male characters. They are merely personalities that fade in-and-out of the background to shape the narrative. While they are characters that can stand up off

the page and cast a shadow, there is no tone or timbre in their images. For example, Rhett notes that he was nearly killed stealing the horse to get Scarlet out of Atlanta before it was burned. But Mitchell does not describe the theft. Therefore, Scarlet (and Mitchell herself) cannot appreciate Rhett's ordeal or gain true insight into his character. In another instance the novel mentions that Rhett fought at the battle of Franklin. What Mitchell does NOT tell the reader is that Franklin was probably the bloodiest defeat of a Confederate army in the entire war. For Southern arms its horrors are unmatched by any of the better known battles in

Virginia or elsewhere. Mitchell fails to narrate this experience and thereby misses yet another opportunity to understand and appreciate Rhett. In short, since Mitchell herself failed to share much of Rhett's (or any man's) experiences, the chances that Scarlet could find true love were as slim as an Apache Indian getting elected Pope. Mitchell and Scarlet sought only to be understood and not to understand.

- Okay girls, hold onto your seats you're in for a fun ride!!!! First off if the cover has "Lori Foster" or "Janelle Denison" or "Erin McCarthy" on it you're in for a good read! Add "Mary Janice Davidson", "Morgan Leigh", and Kayla Perrin and you're automatically looking

at a fun, hot, sexy read! My only complaint? The stories aren't long enough!!!! I want more! I know when will my greed end?! I really can't pick a favorite story from the seven offered, all were great in their individual way. This was the first time I've ever read multi-cultural Kayla Perrin so she was a treat for me. I look forward to picking her up again. Otherwise Ms. Davidson keeps up her tradition of quirky characters and fast-paced dialogue. Ms. Foster...what can you say about Lori except it's Lori!! No summer would be complete without adding her to your reading list. Ms. Denison gives us another Wilde brother and one hot read, and Ms. McCarthy adds her two cents worth of steam and summer fun with the antics of Dr. Sara Davis. Ms. Leigh continues her series she started in the "Wildest Dreams" anthology (fear not although I have that book in my 'must read' pile out on the sun porch I haven't made it that far yet. So if you haven't read it yet like me you won't be lost) and it's great. I can hardly wait to read the first in the series. Something would be wrong if I read a series in order! This book as stated earlier offers seven very fast reads. Don't look for in-depth storylines...there's not enough time. Despite this or maybe because of this it's easy to put down and pick up again. I highly recommend this read to anyone who likes their stories short and

steamy...I mean miss!Official reviewer  
sweet...okay I mean for  
both! In any event this www.romancedesigns.  
was a fun book and com  
one you don't want to
