HUMAN COMMUNICATION Pearson Higher Ed

The third edition of Human Communication is an engaging reflection of the contemporary field of communication studies. The authors's writing mantra ("Make It Smart; Keep It Real") leads to a

text that strikes a practical balance of definitive content and everyday application. To "make it smart," the authors read hundreds of articles from such mainstream communication journals as Communication Education, Communication Monographs, and Communication Studies. To "keep it real," the authors synthesized their findings so that they resonate with the challenges and goals of today's typical basic course. Every chapter features skill-building, critical thinking, innovative pedagogy, 21st century examples, and lively writing that is respectful of the student reader. Human Communication, Third Edition, is also a complete learning package that integrates the text and a variety of media components, including a companion Online Learning Center, a student CD-ROM, and an extensive collection of original videos series.

Encyclopedia of Library and Information Sciences Pearson Higher Ed

In this 7th edition of his award-winning Cultural Theory and Popular Culture: An Introduction, John Storey has extensively revised the text throughout. As before, the book presents a clear and critical survey of competing theories of and various approaches to popular culture. Its breadth and theoretical unity, exemplified through popular culture, means that it can be flexibly and relevantly applied across a number of disciplines. Also retaining the accessible approach of previous editions, and using appropriate examples from the texts and practices of popular culture, this new edition remains a key introduction to the area. New to this edition: • Extensively revised, rewritten and updated • Improved and expanded content throughout • A new section on 'The Contextuality of Meaning' that explores how context impacts meaning • A brand new chapter on 'The Materiality of Popular Culture' that examines popular culture as material culture • Extensive updates to the companion website at www.routledge.com/cw/storey, which includes practice questions, extension activities and interactive quizzes, links to relevant websites and further reading, and a glossary of key terms. The new edition remains essential reading for undergraduate and postgraduate students of cultural studies, media studies, communication studies, the sociology of culture, popular culture and other related subjects.

Social media has many advantages for professional communication – but it also carries considerable risks, including legal pitfalls. This book equips students and communication professionals with the knowledge and skills to help minimise the risks that can arise when they post or host on social media. It offers them strategies for taking advantage of the opportunities of social media while also navigating the ethical, legal, and organisational risks that can lead to audience outrage, brand damage, expensive litigation and communication crises. The book uses stakeholder theory and risk analysis tools to anticipate, identify, address and balance these opportunities and risks. It takes a global approach to risk and social media law, drawing on fascinating case studies from key international jurisdictions to explain and illustrate the basic principles. Whether you are a corporate communicator, social media manager, journalist, marketer, blogger or student you will find this book an essential addition to your professional library as the first reference point when social media and legal risks arise.

REVIEW OF INTRODUCTION TO COMMUNICATION STUDIES PEARSON

- Our two year old cried when we had to return this to a library. Such passion is normally limited to books about big machines... What a find! A great song with detailed, happy illustrations and plenty of opportunities for sound effects to keep our little guy fascinated. "Again, again! Read it again, Mommy!"
- In this excellent book, Roger Poole studies Virginia Woolf's personality, discarding any kind of mental illness. The book is a profound research, based on Virginia Woolf's literature, as well as other testimonies of the ones close to her. Poole defends Woolf's mental health, very interesting book for those who want to understand what was really happening inside Woolf's head. The book is well written and includes a very interesting study on Virginia Woolf's suicide note.
