might not have thought about previously.

## **REVIEW OF TOYOTA LIFT TRUCK MANUAL 7FGCU25**

- Thomas Szasz should have been awarded the Nobel Prize for this original brilliance , illuminating the mysterious process of Psychotherapy. As a medical practitioner myself, having attended a lecture by Thomas Szasz as a student, I have often read his articles, marvelling at his command of literature, as well as his insight into the human mind. Until I

read this book, which I discovered recently, I have been in the dark. I believe this book should be read by all "mental health " practitioners, students, and "so -called patients ", before involving oneself or anyone one knows in any kind of "therapy."

- This was the greatest sequel I have ever experienced. Leon Uris is magnificent! This book kept me wanting more with every page I read. The sequel to Trinity was outstanding! Let us hope that Leon Uris will keep the epic novels of Ireland continuing - Redemption deserves ANOTHER sequel!
