**India's Northeast Resurgent** Concept Publishing Company

India's Northeast has long been riven by protracted armed conflicts for secession and movements for other forms of autonomy. This book shows how the conflicts in the region have gradually shifted towards inter-ethnic feuds, rendered more vicious by the ongoing multiplication of ethnicities in an already heterogeneous region. It further traces the intricate contours of the conflicts and the attempts of the dominant groups to establish their hegemonies against the consent of the smaller groups, as well as questions the efficacy of the state's interventions. The volume also engages with the recurrent demands for political autonomy, and the resultant conundrum that hobbles the region's economic and political development processes. Lucid, topical and thorough in analysis, this book will be useful to scholars and researchers in political science, sociology, development studies and peace & conflict studies,

particularly those concerned with Northeast India.

In the Shadows of Naga Insurgency Concept Publishing Company  
Even After Sixty Years Of Independence, Integration With The Rest Of India Has Eluded The Eight States Of The North East Riven By Insurgencies And Secessionist Struggles. What Are The Conflicts That Inflamm The North East Frontiers Of India? Does The Indian Government Understand The Complexity Of The Forces That Impair The Region? Is It Aware Of The North East S Feeling Of Alienation From The Rest Of India? What Are The Shortfalls In Security In This Region Laid Waste By Relentless Violence? In Its Quest To Zealously Guard The Nation S Frontiers, Has New Delhi Unconscionably Ignored Concerns Of Development? In This Collection, Eleven Specialist Commentators On The North East Critically Examine Aspects Of Security In The Region. Frontier In Flames Is A Definitive Departure From The Existing Debates On This Topic In Its Censure Of The Indian Government S Policy Towards The Region. In Their Analyses, While Agreeing On The Principal Reasons Why The Land Of The Seven Sisters Continues To Burn, The Writers Suggest Strong Remedial Measures To Establish Peace And Prosperity In The Region.

Insurgency in Northeast India Taylor & Francis

The book examines questions of identity, ethnicity, sovereignty and insurgency in northeastern India, and especially on Assam and its neighbourhood. Written by an academic-journalist, the various articles situate these in their larger social, economic, political and, above all, historical context, the last being especially important in their becoming a part of colonial India

relatively late, well after colonial control was established in the rest of India. Based on close, ground level experience involving extensive travel and interaction with the people, this collection is the result of a long journalistic career spanning nearly 50 years in the northeast region. Written in simple, lucid language, the essays cover a range of themes including culture, belief, and identity; homeland and language politics; and insurgency and separatism. The volume also achieves a uniquely dual historical value - while the articles themselves include a lot of historical information tracing the roots of the various issues discussed, the articles themselves range from 1974 to 2010, providing the modern reader with a series of historical moments captured in their immediacy. Of interest to students, academics, researchers in politics, peace & conflict studies, politics, sociology, history, language, those interested in northeast India, policy-makers, cultural studies, etc.

Peace in India's North-East Insurgent Crossfire

Northeast India has been beset with insurgencies for more than fifty years. The Nagas rebelled in the early 1950s, and since then, insurgency in some form or the other has spread to all the states of the northeast, popularly known as the Seven Sisters. This book takes a critical look at the many insurgencies in this strategic region and reviews their genesis, motivations, and characteristics. Why have these persisted despite interventions by the state and civil society? Over the years, the insurgencies have developed external linkages, which have only complicated matters. The book also critically examines the government's response and traces the development of counter-insurgency

strategies, from finding a military solution to winning the hearts and minds of the populace. It is a fascinating but sad story of missed opportunities.

*State vs. Society in Northeast India* Vij Books India

The book analyses the causes and seeks to comprehend the political meaning and significance of the persisting ethnic militancy in Northeast India. The author maintains that prolonged counter insurgency operations in the area have eroded the democratic fabric of the region where the army has institutionalized its authoritarian practices. The formal and informal structures of governance of this parallel regime, the intellectual ideas that shape it, and the resultant erosion of the democratic fabric of the region are the major themes of this work.

*Great Game East* SAGE Publishing India

The Book Makes A Critical Intervention In Contemporary Discourses On Human Rights And Examines Them In The Context Of Insurgency, Particularly In Northeast India. Occupy Different Positions Centering Round The Conflict. An Attempt Has Been Made Here To Bring Together A Host Of Critical Views From These Various Perspectives. This Book Would Be Immensely Useful To Scholars And Social Activists Who Are Looking For A Starting Point For A Dialogic Encounter In A Climate Of Confusion And Unrest In Ne India.

### **Durable Disorder** Sage India

Today the North-East India is an insurgent-prone area where numerous militant and anti-national organisations are on work causing serious threat to India. All these militant organisations have their hide-outs in the countries adjacent to India. Their Guerrilla Warfares have created a horrible situation, and have forced the people to live under terror and fear. This book not only discusses the activities but also investigates the militants. It also presents politico-historical account of the North-East right from beginning to date.

### **Roots of Insurgency in Northeast India** New Delhi : Sterling

This book maps the evolution of India's North East into a constituent region of the republic and analyses the perpetual crisis in the region since Independence. It highlights how land, language and leadership issues have been the seed of contention in the North East and how factors like ethnicity, ideology and religion have shaped the conflicts. It also throws light on the major insurgencies, internal displacements, protest movements and the regional drug and weapons trade in the region. It examines 'the crisis of development' and the evolution of the polity before offering a policy framework to combat the crises. The book includes a large body of original data, documentation and field interviews with major players as well as stakeholders. It is an important reference resource for students of politics and international relations, especially for those involved in South Asian studies and conflict studies. It is also an informative read for decision-makers, bureaucrats dealing with the North East and those involved in counter-insurgency operations in the area.

Female Work Participation Rate in Mizoram: An Analysis from Development Perspectives \* Lalhriatpuii Contributors Index Northeast India, once perceived as a 'paradise', has now become a 'problem' in perpetuity due to its badly managed economy and an absolute lack of political vision. Side by side, words like 'alienation', 'exploitation' and 'insecurity' are being 'used' across the region to instigate the dangerous problem of insurgency. This has kept the region continuously in a state of flux devoid of political or economic stability so crucial for any meaningful development, negating the effects of whatever little economic development has taken place in the region. Centre's continuous development initiatives under the Special Category Status releases huge amount of development funds without creating necessary credit absorption capacity in the economy and consequently has remained unsuccessful in delivering the results woefully dismal have been the half hearted attempts made by the different State Governments in the region from time to time in the name of development. Most of these efforts were directed only towards extracting more assistance and more grants from the Centre. The book revisits these failed initiatives and re-examine the crucial areas while searching for an alternative. The volume focuses on an integrated approach towards inter-related issues in the entire region with 'development' as the pivotal and overarching factor. The collection of seventeen articles are, categorized into five broad sub-sections, extending from political dynamism to economic intricacies, social conflicts and the role of institutions which gives us an opportunity to come across the thoughts of scholars to trace the roots of and connections between, the problems that plague this region and eventually to

forge a common strategy to address the issue of backwardness of this region.

*The Noxious Web* Vikas Publishing House Private

In the Shadows of Naga Insurgency is a fine-grained critique of the Naga struggle for political redemption, the state's response to it, and the social corollaries and carry-overs of protracted political conflict on everyday life. Offering an ethnographic underview, Jelle Wouters illustrates an 'insurgency complex' that reveals how embodied experiences of resistance and state aggression, violence and volatility, and struggle and suffering link together to shape social norms, animate local agitations, and complicate inter-personal and inter-tribal relations in expected and unexpected ways. The book locates the historical experiences and agency of the Naga people and relates these to ordinary villagers' perceptions, actions, and moral reasoning vis-à-vis both the Naga Movement and the state and its lucrative resources. It thus presses us to rethink our views on tribalism, conflict and ceasefire, development, corruption, and democratic politics.

**Terrorism and Peace Initiatives in North East India** Lancer Publishers

Since the 1950s, China and India have been locked in a monumental battle for geopolitical supremacy. Chinese interest in the ethnic insurgencies in northeastern India, the still unresolved issue of the McMahon Line, the border established by the British imperial government, and competition for strategic access to the Indian Ocean have given rise to tense gamesmanship, political intrigue, and rivalry between the two Asian giants. Former Far Eastern Economic Review correspondent Bertil Lintner has drawn from his extensive personal interviews with insurgency leaders and civilians in remote tribal areas in northeastern India, newly declassified intelligence reports, and his many years of firsthand experience in Asia to chronicle this ongoing struggle. His history of the "Great Game East" is the first significant account of a regional conflict which has led to open warfare on several occasions, most notably the Sino-India border war of 1962, and will have a major impact on global affairs in the decades ahead.

## **REVIEW OF INSURGENCY IN NORTH EAST INDIA THE ROLE OF BANGLADESH 1ST EDITION**

- we do not have a fussy baby so we used the Healthy Sleep Habits book. It is full of helpful information. It explains the science of sleep so you understand why you are doing what it suggests and how it works. Once we started sticking to the book's suggestions, our baby became a much better sleeper. The only negative is that the book is not very well edited and is repetitive. Could be shorter, for sleep deprived new parents. The techniques in this book, combined with Happiest Baby on the Block, turned our somewhat easy baby into a dream baby.

- I happened to see this book at B & N accidentally and went through the introduction. Liked it and bought it immediately. A very good book from a comedy author. Couple of chapters are outstanding (Prison Cell Feng Shi and Six Sigma Chapters). Well worth the purchase.
