REVIEW OF FUNZIONI ESPONENZIALI MATEMATICA

- The true measure of a great novel is whether one can open it up again after 6 months or 6 years and still find it absorbing. East of Eden is a sprawling tale of good and evil which still has relevance today. A classic of American literature.
- I "discovered" Steinbeck at age 13, thanks to a great English teacher, but only now have I read this marvellous book. His writing style, his humour, his pathos, his characters, his occasional philosophical asides, all combine to make a rivetting and superb novel. Ordinary and extraordinary people populate these pages, you will love them and you will hate them, you will laugh and you may cry. If you like a good story - or stories, for there are many stories here - read this. You won't be disappointed.
