REVIEW OF CHAPTER 7 RESPONSIBILITY ALIVE WELL NEWS ONLINE

• i am in absolute love with the series but this book was appalling. the best was when a tree fell on a cat! there is something to be said about that. thankfully i went on to read the rest of the series and the rest were amazing. but dont use this book to judge the rest of the series. the book is okay i

mean u need it for the rest of the series.

• For all those who have been, are, or are going to embark on a spiritual shopping spree, Mick Browns "A Spiritual Tourist" is a delicious rendering of one journalist's journey. He remains skeptical and distanced from his subject matter throughout. Though on the odd occasion he cannot help but get involved and be affected by the people he meets. From the appearance of "verbatim" in London, to joining the throngs that sit at the feet of Si Baba, (though I did find this chapter long winded) to a meeting with the Dalai Lama and the Theosophical society, to crosses appearing on the windows of a church in the United States and his final chapter, which I particularly enjoyed, being a visit to a Buddhist centre in England, his journey is informative, honest and inspiring. I thoroughly enjoyed every minute and found many of his conclusions enlightening.
