REVIEW OF BOND MATHS ASSESSMENT PAPERS 9 10 YEARS BOOK 1

- Wow umm what to write? This is one of my favorite books I have ever read! I loved it! I knew I would love it from the first chapter and I ended up reading the last half in one sitting because it was too exiting! This is the greatest book and it is amazing that someone so young wrote it. I think it is going to be extremely popular as soon as word gets out about it. I cannot wait for the sequel!
- this is a totally awesome book. I have read it over and over again. totally recommend it. any age from 10-16 should love it.
