REVIEW OF CATHSSETA INTERNSHIP

PROGRAMME LEARNERSHIPS

2018

• I am by no means a prude but I find no interest in women or men "whipping" someone for reasons I can't fathom. To dicipline, arouse ,or to train them; it escapes me. Too 'kinky' for my taste. In all fairness, I never made it past the first few chapters either in this book or the first of Sleepy Beauty's trilogy. The theme was obvious. I will assume there is a message in these books but I didn't care to find it. I gave this 1 star because it was required to submit the review. Rereading this, this review DOES make me SOUND like a prude! In synopsis, if you like whips and

chains and that sort of thing, you like the book; if not don't waste your money. I don't even want to donate them to our local library.

• Project Samuel is truly visionary and scary. It deals with baseball, genetics, cloning, athletes and science. It just comes so close to reality that it is spooky. The author writes a great story - as with all of Polidoro's novels. He knows how to spin a tale and make it both entertaining and even educational. This is a page turning book - once you open it up and begin you will not be putting it down until you finish it. It is that good! Good characters and dialog - and of course, a killer of a plot!
