REVIEW OF DESIGN COMPILER UG 1 INTRODUCTION TO DESIGN COMPILER

- Great set of books at a great price! I wanted all of these C.S. Lewis books in one package and knew that I could find it through Amazon.com.
- This book was so wonderful that I purchased one ...looked at it...and then ordered yet another for our pastor! There are so many quotes and Christian perspectives in C.S. Lewis's writings! This holds all the stories that I wanted! I LOVED IT! IT was much larger than I thought it would be; the quality of the binding / cover was gorgeous and it was a gift I was glad I had purchased. Thinking of ordering yet another for myself!! You can't go wrong with this book if you like C.S. Lewis!!
