### **MANUAL FILE TYPE PDF**

- The Magic Pudding is a fun little read. I got the free Kindle version, and it's quite enjoyable. Yup, it is wacky, but that is part of the charm. It is about a Magic Puddin, after all. Now, the free Kindle version doesn't have illustrations. This may be one of those that a paid version, with illustrations, would be the way to go.
- My family's copy of this is falling apart, because everyone has read it many many times. It is the most surreal, feelgood, quotable book (involving a penguin) that I have read. I've taken to quoting the kerazy verse at appropriate moments, especially the uncle's boundin and plunging song. To know the wonder of this song, which relieves aggravated emotions wonderfully, u must find a copy of this book, and read it.
