REVIEW OF SEEING THROUGH THE VISIBLE WORLD JUNG GNOSIS AND CHAOS

- Really learned a lot from this book. I have already changed a few things and are starting to see changes. A must read for anyone who is too nice!
- I'm one of those few people that prefer the original X-Men over the new. This book which covers the first 24 issues, is awesome. Granted, it's in black and white, but that's the only thing wrong with it. I'm still waiting for Marvel to make a Volume 2(c'mon Marvel, get with it!) so I can read more of these classic adventures like the first appearance of Banshee. I'd also like them to make Essentials for more Marvel characters like Daredevil and Sub-Mariner(God knows they deserve it).
