REVIEW OF AMSCO GEOMETRY TEXTBOOK ANSWERS CHAPTER 11

- Once again Sherrilyn Kenyon has forced me to read all night long. I couldn't put this book down. My heart went out to Valerius so strong so upright, till Tabitha enters his domain, and shakes it up a bit. You can feel the sparks immediately from these too. This book as well as all other Dark Hunter books just grabs you and keeps you reading till the very last page, which is hard to come too cause you want it to go on and on.
- The book is in near new condition. Had to break in the pages. Felt as if no one had read the book before. A little age marks but insignificant. As to Quality of this book I would recommend the seller and purchase another book from them. And plan to buy the next one in the series from them. Thank you
