From the #1 New York Times bestselling author of *The Handmaid's Tale* At a time when speculative fiction seems less and less far-fetched, Margaret Atwood lends her distinctive voice and singular point of view to the genre in a series of essays that brilliantly illuminates the essential truths about the modern world. This is an exploration of her relationship with the literary form we have come to know as "science fiction," a relationship that has been lifelong, stretching from her days as a child reader in the 1940s, through her time as a graduate student at Harvard, where she worked on the Victorian ancestor of the form, and continuing as a writer and reviewer. This book brings together her three heretofore unpublished Ellmann Lectures from 2010: "Flying Rabbits," which begins with Atwood's early rabbit superhero creations, and goes on to speculate about masks, capes, weakling alter egos, and *Things with Wings*; "Burning Bushes," which follows her into Victorian otherlands and beyond; and "Dire Cartographies," which investigates Utopias and Dystopias. *In Other Worlds* also includes some of Atwood's key

reviews and thoughts about the form. Among those writers discussed are Marge Piercy, Rider Haggard, Ursula Le Guin, Ishiguro, Bryher, Huxley, and Jonathan Swift. She elucidates the differences (as she sees them) between "science fiction" proper, and "speculative fiction," as well as between "sword and sorcery/fantasy" and "slipstream fiction." For all readers who have loved *The Handmaid's Tale*, *Oryx and Crake*, and *The Year of the Flood*, *In Other Worlds* is a must. Note: The electronic version of this title contains over thirty additional, illuminating eBook-exclusive illustrations by the author.

From the best-selling author of *Brother, I'm Dying* and *The Dew Breaker*: a stunning new work of fiction that brings us deep into the intertwined lives of a small seaside town where a little girl, the daughter of a fisherman, has gone missing. Claire Limyè Lanmè—Claire of the Sea Light—is an enchanting child born into love and tragedy in Ville Rose, Haiti. Claire's mother died in childbirth, and on each of her birthdays Claire is taken by her father, Nozias, to visit her mother's grave. Nozias wonders if he should give away his young daughter to a local shopkeeper, who lost a child of her own, so that Claire can have a better life. But on the night of Claire's seventh birthday, when at last he makes the wrenching decision to do so, she disappears. As Nozias and others look for her, painful secrets, haunting memories, and startling truths are unearthed among the community of men and women whose individual stories connect to Claire, to her parents, and to the town itself. Told with piercing lyricism and the economy of a fable, *Claire of the Sea Light* is a tightly woven,

breathtaking tapestry that explores what it means to be a parent, child, neighbor, lover, and friend, while revealing the mysterious bonds we share with the natural world and with one another. Embracing the magic and heartbreak of ordinary life, it is Edwidge Danticat's most spellbinding, astonishing book yet. This edition includes a reading group guide.

A Haitian American woman survives a brutal kidnapping in this "commanding debut novel" from the New York Times–bestselling author of *Bad Feminist* (*The New Yorker*). Author and essayist Roxane Gay is celebrated for her incisive commentary on identity and culture, as well as for her bestselling nonfiction and short story collections. Now, with *An Untamed State*, she delivers a "breathtaking debut novel" (*The Guardian*, UK) of wealth in the face of crushing poverty, and the lawless anger produced by corrupt governments. Mireille Duval Jameson is living a fairy tale. The strong-willed youngest daughter of one of Haiti's richest sons, she lives in the United States with her adoring husband and infant son, returning every summer to stay on her father's Port-au-Prince estate. But the fairy tale ends when Mireille is kidnapped in broad daylight by a gang of heavily armed men, just outside the estate walls. Held captive by a man who calls himself *The Commander*, Mireille waits for her father to pay her ransom. As her father's standoff with the kidnappers stretches out into days, Mireille must endure the torments of a man who despises everything she represents. *An Untamed State* is a "breathless, artful, disturbing and original" story of a willful woman attempting to find her way back to the person she once was, and

of how redemption is found in the most unexpected of places (Meg Wolitzer, author of *The Interestings*).

Enchanted by Narnia's fantastic world as a child, prominent critic Laura Miller returns to the series as an adult to uncover the source of these small books' mysterious power by looking at their creator, Clive Staples Lewis. What she discovers is not the familiar, idealized image of the author, but a more interesting and ambiguous truth: Lewis's tragic and troubled childhood, his unconventional love life, and his intense but ultimately doomed friendship with J.R.R. Tolkien. Finally reclaiming Narnia "for the rest of us," Miller casts the *Chronicles* as a profoundly literary

New York Times Bestseller A collection of essays spanning politics, criticism, and feminism from one of the most-watched young cultural observers of her generation, Roxane Gay. "Pink is my favorite color. I used to say my favorite color was black to be cool, but it is pink—all shades of pink. If I have an accessory, it is probably pink. I read *Vogue*, and I'm not doing it ironically, though it might seem that way. I once live-tweeted the September issue." In these funny and insightful essays, Roxane Gay takes us through the journey of her evolution as a woman (Sweet Valley High) of color (The Help) while also taking readers on a ride through culture of the last few years (Girls, Django in Chains) and commenting on the state of feminism today (abortion, Chris Brown). The portrait that emerges is not only one of an incredibly insightful woman continually growing to understand herself and our society, but also one of our culture. *Bad Feminist* is a sharp, funny, and spot-on look at the ways in which the culture we consume becomes who we are, and an inspiring call-to-arms of all the ways we still need to do better.

It's the late 1990s, a time of brutal guerrilla warfare and civilian kidnappings. The journalist, whom he knew years before as Jackie Scott, had a bigger investment in Haiti than it seemed. To make sense of her death, Tom must plunge back into his complicated ties to Jackie—and her mysterious past. Shacoich traces Jackie's shadowy family history from the outlaw terrain of World War II Dubrovnik to 1980s Istanbul. Caught between her first love and her domineering father—an elite Cold War spy pressuring her to follow in his footsteps—seventeen-year-old Jackie hatches a desperate escape plan. But getting out also puts her on the path that turns her into the soulless woman Tom fears as much as desires. Set over fifty years and in four war-torn countries, *The Woman Who Lost Her Soul* is National Book Award winner Bob Shacoich's masterpiece and a magnum opus. It brings to life an intricate portrait of catastrophic events that led up to the war on terror and the America we are today.

‘I waited patiently for the next hand to be played out, and I had a feeling it was going to be a Natural, a perfect nine.’ His name is Lord Doyle. His plan: to gamble away his last days in the dark and decadent casino halls of Macau. His game: baccarat punto blanco -- 'that slutty dirty queen of casino card games.' Though Doyle is not a Lord at all. He is a fake; a corrupt lawyer who has spent a career siphoning money from rich clients. And now he is on the run, determined to send the money - and himself - up in smoke. So begins a beguiling, elliptical velvet rope of a plot: a

sharp suit, yellow kid gloves, another naughty lemonade and an endless loop of small wins and losses. When Lady Luck arrives in the form of Dao-Ming, a beautiful yet enigmatic lost soul, so begins a spectacular and unnatural winning streak in which millions come Doyle’s way. But in these shadowy dens of risk and compulsion, in a land governed by superstition, Doyle knows that when the bets are high, the stakes are even greater. The Ballad of a Small Player is a sleek, dark-hearted masterpiece: a ghost story set in the land of the living, and a decadent morality tale of a Faustian pact made, not with the devil, but with fortune’s fickle hand.

REVIEW OF AN UNTAMED STATE BY ROXANE GAY LAOJIEORE

- Picture a world, not far in the future; consisting of low birth rates, oppressed females, religions, constant wars, and a never-ending battle for freedom of thought. That is the type of setting presented in Margaret Atwood's *The Handmaid's Tale*. This book tells the tale of Offred, who happens to be one of the few handmaids in the world. A Handmaid is a woman who is used as a tool for the leaders of the world in order to procreate. Sound scary? You have no idea. Atwood describes a world full of fear and oppression that is easily portrayed through the narrative of Offred. With her harrowing words, Offred describes the people,

places, and her thoughts quite clearly, leaving readers only in the wake of her emotions. She speaks to the readers personally about her contact with an underground organization, her past, the events leading up to the present, her secret affair, and much much more. All I can say is that this book holds you in a grip of anticipation and mystery as to how the set of events will unfold. The only thing you can do while reading this book, is to hold on for a wild ride of excitement and suspense. This book is a change from Atwood's common writing style, but she seems to handle it like a pro. You will definitely feel a sense of satisfaction when you put this book down. I highly recommend it.

- *The Handmaid's Tale* is a very eye opening book. It makes you think about how despensible your own rights can be. I think that it was very interesting how Margaret Atwood had taken the events that were in her book from things that have actually happened in the past. It was weird to hear that these sorts of things could be heppening in the world. I mean, could you imagine going to work one day and being fired because it was the law? I would be crushed. My job is my freedom. Without it I would be totally dependent on my parents, being as I am a 17 year old high school student. Margaret Atwood takes a book about a women sitting in her room and being locked up in a small area and turns it into a very compeling and interesting book. I enjoyed it very much and would recommend it to anyone that believed in their own rights along with the rights of every human being.
