REVIEW OF HOW TO IMPRESS A GIRL ON CHAT

- As a book of fiction The Giver is great. I find that because it shows you to be careful what you wish for. In The Giver the characters can't see any color or are unable to hear music. They have no freedom of choice in their world. All because some one made a wish and it came true. The part that effected me the most is reading about Jonas because he was the receiver of everyone's memories. He ends up receiving all their pain, but at the same time he also receives their beautiful memories at the same time. At the time the character Jonas is twelve years old so he's pretty young. In the end the decision that Jonas makes is important about himself but to find out about that you have to read the book. I think that if it left me feeling what if this really happened in our world, I think that you would wonder to.

- I had to read this book in school and it was one of the few books that I actually enjoyed. Another job well done by Lois Lowry.
