REVIEW OF ANATOMY AND PHYSIOLOGY MADE INCREDIBLY EASY 3RD EDITION

- delightful. the essay on moby dick alone is worth the read. has stayed fresh in my memories for over 20 years. lawrence may have been sobering out in taos, but his genius was burning bright. remember, the works he was praising were not yet completely "canonical." lawrence was a key signpost. vivid and sensitive, imagistic appreciations.
- Rutheis Gift is about a girl that has three older brothers and three younger brothers ,pluss her mom is prengnant.Ruthie feels trapped because there are so many boys and no girls, and at scool she is the only purson in thired grade.when she findes out that her mom is pergnant she prayed day and night that the baby is a girl.Some people don't always get what they want but fineds something better instead. I think that anyone that likes historical fiction sould read this book because I dont even like historical fiction and i loved it.so I really recommend this book to everyone.
