REVIEW OF DX 460 HILTI AUSTRALIA

- This book is about a group English's boys that landed on an island. This book is very interesting and I recomnded it to you.
- I liked the book Lord of the Flies because of everything that went on. The book is very believable in that you can get stranded in an island during the middle of the war. Also because of the different themes in the book. The author handled writing symbolism best, because you can understand each character. For example, Simon is a symbol for spirtuality. And Piggy is a symbol for reason. I think the author's purpose for writing this book is to show how you can lose your innocence. I agree with the authors message. Although the book was great, the book was less than perfect in that it had too much drastic description about the killing of the pigs.
