REVIEW OF THE HEART OF BETRAYAL THE REMNANT CHRONICLES PDF DOWNLOAD

- SHADED LIGHT is an excellent mystery in the classic sense -- a who-dunnit in the tradition of Agatha Christie, but for the 21st century. SHADED LIGHT would make a great 'Murder She Wrote' type of TV movie. If you like to curl up with a good mystery, one that has humor, a thread of romance, its share of twists and turns, pick up N.J. Linquist's SHADED LIGHT, and follow Manziuk and Ryan through the maze of clues and red herrings that will track a killer. I wasn't sure who the killer was until the very end. I'm looking forward to the author's next book in the series. Joan Hall Hovey, Author of 'Nowhere To Hide'

- If you haven't read this book yet and don't want to know how it ends, then don't read Jim Gallen's review, "A Romance for the Unromantic". Actually, I can't be sure that he gave away the true ending. I was planning to buy and read the book until I read his review, and now I won't bother. Mr. Gallen, if you want to discuss the ending, please post a warning next time. After all, once we read it, we can't "unread it" - the damage is done.
