impactful read.

REVIEW OF BOOK ZEIG MAL SCANS PDF PDF NXTCUREAE

- I've had 4 hunting labs over the past 20 years, and this is the one book I always recommend to first-time retriever owners who want to hunt their dog. The book is especially good from the first day you get your puppy up until about a year. He covers questions at the end of each chapter that are typical of new retriever owners: What if pup eats the bird?, what if pup runs away from me with a bumper, etc. Advanced topics like drills for blind retrieves (swimby, casting

and lining drills, pattern blinds, etc.) or hunt tests (multiple marks, retired guns, holding blinds, etc) are not covered. The book cautions against using an electric collar. I agree. I've seen too many pups with great potential totally confused by a newbie incorrectly using the e-collar. If you do plan on using an e-collar, I recommend Tritronics Retriever Training

book by Jim and Phyllis Dobbs.

- I ordered a book for my son that had been out of print for many years. The book arrived in excellent condition. It came a few days after I ordered it. My son was impressed that such an old book could still be purchased and be in "like new" condition.
