## REVIEW OF BATTLESHIP BISMARCK A SURVIVORS STORY

- I am using this book as a reference for a job that I have accepted. This book gives a lot of insight to many of the stories told in ancient times.
- My son (age 3) loves this book. In the last 6-8 months, this has been the bedtime story he wants at least 99% of the time. When he was younger and learning his alphabet, he went through a period of a few months where he wanted Dr. Seuss's ABC Book every night, but this has lasted far longer, and I now have the entire book memorized so I can just turn out the light and recite it. Even when he wants another book, he usually wants Sleep Book afterwards. Seuss had a real gift for language, it is a pleasure, the only disadvantage is that if I'm too tired it puts me to sleep too.
