REVIEW OF ESSENTIALS OF BUSINESS LAW 4TH EDITION

- I'd buy these for the kids when we lived in Germany. When the kids moved to the U.S., I'd still buy them, but had trouble wrapping them for shipment because they're a large, odd shape. These are just like the ones you'd find in Germany and since the company ships them, I'm saved the wrapping problem and everyone has an Advent Calendar.

- I agree with the previous reviews that this is a great translation of the scriptures. Like other reviewers, I have been quite underwhelmed by the printing and binding on Crossway's bibles. The pew edition is a pleasant exception. The binding is superior to the classic and deluxe classic editions (excepting the heritage edition's binding, although the heritage still has a terrible layout and poor print/paper quality). The printing and paper quality are better than the classics/deluxe classic, and this edition features an easier to read font. I bought this expecting a cheap feeling "gift bible" type edition. What I received was a very nice, almost full sized (9"x6.5") edition that has a quality very similar (although not quite as nice) to a Cambridge Hardback. I have been very pleased. Downsides - no leather (IMO this would make a near perfect version), no concordance, and no maps. Still, I would say this largely overlooked edition is the nicest yet in the ESV, which is quickly becoming my translation of choice. If Crossway could put out a leather volume of this quality the the ESV might become more of an NIV killer. This translation has it all - it is a literal translation without the clunky unnatural language of the NASB. Truly a majestic translation. I Can't wait for a great leather edition to come out, but until then this inexpensive (\$...) edition will probably become my main Bible. In Christ 5 stars Translation, 4.5 stars binding (hardback only)
