A witty and sophisticated mystery featuring bestselling author Josephine Tey's popular Inspector Alan Grant, a beloved character created by a woman considered to be one of the greatest mystery writers of all time. Literary sherry parties were not Alan Grant's cup of tea. But when the Scotland Yard Inspector arrived to pick up actress Marta Hallard for dinner, he was struck by the handsome young American photographer, Leslie Searle. Author Lavinia Fitch was sure her guest "must have been something very wicked in ancient Greece," and the art colony at Salcott St. Mary would have agreed. Yet Grant heard nothing more of Searle until the news of his disappearance. Had Searle drowned by accident or could he have been murdered by one of his young women admirers? Was it a possible case of suicide or had the photographer simply vanished for reasons of his own?

One summer weekend in 1949—but not our 1949—the well-connected "Farthing set", a group of upper-crust English families, enjoy a country retreat. Lucy is a minor daughter in one of those families; her parents were both leading figures in the group that overthrew Churchill and negotiated peace with Herr Hitler eight years before. Despite her parents' evident disapproval, Lucy is married—happily—to a London Jew. It was therefore quite a surprise to Lucy when she and her husband David found themselves invited to the retreat. It's even more startling when, on the retreat's first night, a major politician of the Farthing set is found gruesomely murdered, with abundant signs that the killing was ritualistic. It quickly becomes clear to Lucy that she and David were brought to the retreat in order to pin the murder on him. Major political machinations are at stake, including an initiative in Parliament, supported by the Farthing set, to limit the right to vote to university graduates. But whoever's behind the murder, and the frame-up, didn't reckon on the principal investigator from Scotland Yard being a man with very private reasons for sympathizing

with outcasts...and looking beyond the obvious. As the trap slowly shuts on Lucy and David, they begin to see a way out—a way fraught with peril in a darkening world. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Josephine Tey's Brat Farrar (1949) is one of my favourite books. It isn't science fiction or fantasy, it was published as a mystery novel. It also falls into the special genre I call "double identity." Brat Farrar is a young man with a pronounced family resemblance to the Ashby family, of Lodings. A brother of about his age supposedly committed suicide--his body was never found--at the age of thirteen. If twenty-one year old Brat were the dead Patrick, he'd inherit the estate and all the money over the head of the smiling confident Simon Ashby. Brat encounters Alec, a rogue who knows the Ashbys well and Alec immediately concocts a plot. Brat is drawn into the affair at first from curiosity and later from a desire to avenge Patrick. This is a murder mystery as well as a double identity story, but the murder Brat is investigating is that of his own double, and he can't reveal the truth without revealing his own deception.

REVIEW OF BRAT FARRAR

- The master of the locked room murder has tried his hand at a novel wich is more in the line of Van Dine or Ellery Queen but it has produced startling results.The book is very complex the suspects have cast iron alibis the murder is most strange and even a systematic and logical solution by the investigator proves to be wrong and Dr Fell solves it after hearing the account of the crime by three investigators in charge of the case.Dr Fell becomes an arm chair sleuth and presents the actual solution which is most strange.A mystery novel as it should be with a plot which is very complex the investigation a genuine use of logic and the atmosphere very well done.Carr at his best but fans of Ellery Queen or S.S van dine will also be delighted.
- As a fellow camper and dog lover, my husband enjoyed reading about Steinbeck's camping adventures throughout the US with his canine friend.
