### **REVIEW OF BRIAN TRACY MANUAL**

- I was very excited to start reading Black Notice, but as once I started I was very disappointed with it. I usually love all of Patricia Cornwell's books. This book had potential to be a great book but it went down hill with the more you read. The ended was a major disappointment.
- i really enjoyed this book, good plot, fast moving, if your a cornwell fan it's a must, I lent my copy to a friend, everytime i call she's reading a few pages, i couldn't put it down, so read it in three days, and i'm a busy lady, buy it you won't regret it .
