REVIEW OF STRATEGIC MANAGEMENT OF TECHNOLOGY AND INNOVATION

- Once again Morgan Llywelyn has written a wonderful book. This time she brings you back to the time of Brian Boru, one of the great kings of ancient Ireland. As with many of her books Morgan has spent a lot of time researching her subject before writing the book. This historically accurate book gives you a glimpse of what life in ancient Ireland was like. It left me craving more and dreaming of my heritage.
- I love this book and wanted an original hardcover copy - not the one with the movie scenes, although I do like the movie version. Seller was quick and book was in stated condition - it looks almost new.
