REVIEW OF PRE PRIMARY STAGE LKG UKG A RESOURCE SCHOOL

- A joy to read. I do not know if I will ever make any of the recipes in this book. But it is interesting to read them. Enjoy.
- At first I had to develop some kind of a dedication to keep up with the readings. I found it a rather intriguing read but some it was a little sad and informative at the same time. The book kind of reminds me of a political science book that I still have. Carl is a brilliant writer, yes he is and I have deep respect for him. This book can prove that Marilyn Monroe is not a dum blond because she was once friends with the writer and she may of had a copy of this book to remember her friend Carl Sandburg. I had to have patience in reading this book because Carl Sandburg is such a deep thinker in his writing formats.
