advantage of the riches of details at your fingertips. **Download and install Supervisory Management N5 Previous Question Papers PDF free** and improve your learning experience!

## REVIEW OF SUPERVISORY MANAGEMENT N5 PREVIOUS QUESTION PAPERS

- A Tree Grows in Brooklyn by Betty Smith is a story that lingers in the minds of young adults worldwide. It is wrong, farfetched even, to say that this book is just about a girl and her life in New York City. This is a story about life at its limit and a girl that learns to grow up. Fragile threads of a seemingly dull existence and the tragedies of poor family are what holds the bindings of the book together. It is the rich past that makes it suddenly an adventure worth reading. The peace in it provides the finally perfect piece for the restless minds of people like me, who read this story. It teaches me that no matter how wrong the start, there is always a conclusion that fits incredibly well, despite the trail of sharp and cutting glass that a shattered mirror leaves behind. This is a journey spun beautifully by Betty Smith through her concise but stunning words, woven to life by her cunning twists of characters. A Tree Grows in Brooklyn, a journey of life, misfortunes, and maturity, will become a towering figure that roots deep into your conscious mind.

- After reading this book, I looked at the negative reviews to see what people could have possibly said was wrong with this book. A few found it boring, some found it depressing. I think these people did not give this book the proper attention it deserved. Though "A Tree Grows In Brooklyn" is about the life of a

poor girl in a poor neighborhood and a poor life, this is not what the book focuses on. As you read the book, you are constantly reading about the beauty of the world around Francie Nolan, not the squalor. Through most of the book, you see the world through the eyes of a young, imaginative, smart, innocent girl who does not have the "education" and "knowledge" to realize how terribly she has it. You see the true love bonds between brother and sister, father and daughter, and between a mother and daughter who love each other despite their inability to understand one another. Although it is true that there is some

sorrow in this story, I found myself laughing much more often than I found myself crying. The sad parts are not fun, but pain is in every good and realistic story. The humor in everyday people and everyday life is what makes this book so enjoyable. Each character has a specific personality with humorous and lovable quirks. And the ending is worth the entire book. I finished this book feeling so wonderful about every aspect of my life. It is not a completely happy ending, but it is a very satisfying one. I would recommend this book to any girl or woman and I would recommend that everyone else should give it an honest chance too.
