Thank you for selecting our platform for your PDF downloads. We eagerly anticipate offering you with exceptional solution and diverse options for several years to find.

REVIEW OF A SOUL OF ASH AND BLOOD A BLOOD AND ASH NOVEL BLOOD AND ASH SERIES BY JENNIFER L ARMENTROUT

- If you are looking for a typical Grisham page turner, this one is not for you. If, however, you would enjoy a liesurely paced look at the adventures of a young, liberal journalist in small town 1970's Mississippi, you will enjoy this a lot. It is a good story that, unlike many Grisham books, reaches a well thought out conclusion. It is "A Painted House" with lawyers.

- For a John Grisham book, I was a bit disappointed with the writing style. It took me at least 100 pages to become remotely interested and even then I still wanted to put it down. The storyline seemed interesting enough: In 1970, one of Mississippi's more colorful weekly newspapers, The Ford County Times, went bankrupt until a young mother was brutally raped and murdered by a member of the notorious Padgitt family. After being sentenced to "life" in prison, "life" in Mississippi doesn't really mean "life in prison". It seemed like it would be an amazing thriller but quite honestly it was a slow and boring read.
