## REVIEW OF BUSINESS GRAMMAR AND PRACTICE DUCKWORTH AVELOX

- Blood Follows is a must read for fans of the Malazan World created by Erikson and Esslemont. The only drawback to this novella is that it is ...a novella, it could have been a few hundred pages longer! It is the story of how Mancy (Emancipor Reese) comes to be stuck working for Bauchelain and Broach, a couple of off kilter people with way to much power. If you like this then you need to pick up The Healthy Dead (by Erikson) and Night of Knives (another Malazan novella, this one by Eriksons co-creator Cam Esslemont

• This version of Stowe's classic text includes reproductions of original historical documents at the back, literary criticism of the text, and some of the original illustrations. The book is well-made, stands up to the stress of reading (paper is thin but not too thin, like some anthologies). As for the text-- this is the book that some say caused Abraham Lincoln to write the Emancipation Proclamation. An "Uncle Tom" has come to mean a black person who sells out to the white system-- but in so many ways, that is not at all what Uncle Tom does in the book. Stowe wrote the book to change what she saw as an unjust system, an evil system-- and at times, the text is very didactic (teacherly) and very preachy about religion. It's a fine "sentimental" book-- and a fine historical document. It's also a pretty good story. Yes, there are some places where we could just get a tooth

ache from the syrup of the overly dramatized scenes (you'll see when you read about Little Eva). But it's a certain style of writing that accomplished Stowe's goal of getting the women who may not have owned slaves but who benefitted from the system (white, northern, wealthy ones) to realize the problems and move to CHANGE them. Much of what people think about Uncle Tom's Cabin actually comes from the later "Tom shows" that travelled the country-- the minstrel reviews that were not very flattering either to blacks or to Stowe's original texts. Read the book that has everyone all stirred up and make your own judgements. You might not like it-- but don't let someone else make the decision for you.
