REVIEW OF 6 MONTHS TO FIGURES KINDLE EDITION PETER VOOGD

- A fantasy/adventure novel of high intrigue and daring exploits. This novel is well written and well paced, making it a book that was hard to put down. The 4 main characters have endearing personalities and an inner warmth that makes them bond easily with the readers. I found myself thinking of them on occasion, long after I'd finished this tale; I guess that's one of those unique qualities that makes a book like this so special. A funny, fantasy adventure of the highest caliber. Told with a tongue-in-cheek style, this book easily captures the imagination of both young and old. 5 Stars!

- The princess Bride is one of my all time favorite books. It took me a while to finally purchase a book with such a girly title but I ma glad I did. There is nothing girly about this adventure tale.
