REVIEW OF SAVE MONEY GOOD FOOD FAMILY FEASTS FOR A FIVER

- MALINCHE by Laura Esquivel August 26, 2006 Rating: 4 Stars For those who enjoy historical fiction, MALINCHE is a captivating

novel that takes the myth of Malinche (Malinalli) and recreates her story - the woman who aided Hernan Cortes in the demise of the Aztec Empire during the 1500's. For those who have read and loved LIKE WATER FOR CHOCOLATE, MALINCHE is a different type of novel, a story that is based on history. Malinalli is considered a traitor in the history books, but Esquivel writes her main character in a way that will garner sympathy from the reader, a different viewpoint of the woman who was Cortes' right hand man, as she was the translator between the Spaniards and the Aztecs. She is portrayed as an innocent victim, someone who made poor choices and lived to regret them. Starting with Malinalli's early years, MALINCHE traces her story from birth, to childhood, to her life as a slave. The novel is filled with myths and fables, and for those who love those little extras, the inside cover to the hardcover book displays a pictograph story of the entire novel, similar to those that were drawn back in the

1500's. MALINCHE transforms Malinalli into a heroine of sorts, while in truth the word malinchista today means traitor. But in this novel, she is portrayed as a woman who was torn between two worlds, a woman who tried to save herself but at the same time, was hoping to destroy the Aztecs and their barbaric human sacrifices. I didn't feel that this was the perfect book, but it was definitely time not wasted, as I learned a little bit of history that I had not known about before, and was entertained with the fascinating (fictionalized) story of Malinalli, the woman who helped destroy the Aztecs.

- I purchased this book based upon the rave reviews below and was definitely not disappointed. A superb story from beginning to end with lessons in leadership, humanity, war and politics. A book you will think about long after you have finished it. Read this book.
