REVIEW OF THE PSYCHOLOGY OF SPIRITUALITY AN INTRODUCTION

- Absolutely love this book. I am constantly going back to it and taking notes from it. Combining my two loves, vintage style and culture with feminism. Most excellent. Worth The read.
- With a realistic, likeable heroine & a good guy who has a laundry list of problems but is still macho & not whiney, this is one of the best books in Kenyon's Dark-hunter series!The first in depth look into the were-hunter world brings us to Vane & Fang the brothers who helped Talon rescue Sunshine Runningwolf several books back in the story. We rejoin them as they are about to die...but not if Vane has his way. Yet not everything can go to our hero's plans & things are further complicated when temptation becomes to much for our hero in the form of Bride McTierny, Sunshine's volumptious friend. Fangs dead weight but Vane has a few tricks up his sleeve (or under his paw) and another brother to join him.
