“A searing and emotionally gripping account of a young black girl growing up to become a strong black woman during the most difficult time of racial segregation.”—Professor Charles Ogletree, Harvard Law School “Provides important context for an important moment in America’s history.”—Associated Press When fourteen-year-old Carlotta Walls walked up the stairs of Little Rock Central High School on September 25, 1957, she and eight other black students only wanted to make it to class. But the journey of the “Little Rock Nine,” as they came to be known, would lead the nation on an even longer and much more turbulent path, one that would challenge prevailing attitudes, break down barriers, and forever change the landscape of America. For Carlotta and the eight other children, simply getting through the door of this admired academic institution involved angry mobs, racist elected officials, and intervention by President Dwight D. Eisenhower, who was forced to send in the 101st Airborne to escort the Nine into the building. But entry was simply the first of many trials. Breaking her silence at last and sharing her story for the first time, Carlotta Walls has written an engrossing memoir that is a testament not only to the power of a single person to make a difference but also to the sacrifices made by families and communities that found themselves a part of history.

REVIEW OF CHAPTER 6 LESSON 1 THE LAND BETWEEN TWO RIVERS

- I have been a faithful reader of Ms. Cornwell's for years. I have read all the books in the series. After Benton's death I was certain that because of that shocking death of a old friend I would never read another book of hers again. I know you are thinking I need help, but once you begin to read her books you will be hooked! This was one book I put off for about one month. (Okay so I am not that strong of a person.) It was worth the wait. The twist and turns keep you guessing all through out and the additional characters add so much to the familiar favorites.

- I could not wait until I was able to purchase Black Notice. All of P. Cornwall's books have their twists and turns, but I feel she outdid herself in Black Notice. The suspense was at times almost unbearable. I wanted to skip past descriptive words, or turn the page before I was finished to find out immediately what had occurred. You could taste her fear, anxiety and worry. One must admire Scarpetta's spirit, her ability to conquer her fear, to think logically, and stay focused in spite of her entire world and career seemly about to crumble. I ended up crying with her, worrying with her and ultimately surviving despite of her great loss. Waiting for the next book in the Scarpetta series!
