REVIEW OF DRIVEN 2018 PERODUA MYVI FULL ROAD TEST REVIEW

- George Alston is the consummate professional. This book is not for the beginner (Bob and Jane Forsyths book is for that), but rather for the person wanting to campaign their dogs. Mr. Alston's book told me things I hadn't learned in 25 years of showing dogs in Conformation as well as Obedience. He tells you the psychology of showing dogs, and the principles. He gives seminars around the country that are so popular, they are very hard to get into. This book basically covers everything he teaches

in his seminars. He has an incredibly vast knowledge, and believes dogs should be handled kindly. I teach one of the largest Conformation classes in St. Louis, and I learned much of what I teach from Mr. Alston. If you are interested in **SHOWING** dogs, having dogs that **SHOW**, and not just going into the ring and hanging onto the lead, then I urge you to **RUN**, not walk, to purchase this book.

- I absolutely love this book. It has been very helpful to me as well as friends of mine. I keep it in my desk drawer handy to pull out whenever I need it. I highly recommend this book.
