Thank you for choosing our system for your PDF downloads. We anticipate offering you with

excellent service and diverse alternatives for years to come.

## **REVIEW OF KARTONNEN DOZEN TOM LANOYE**

- A surprizingly disappointing rendition of a potentially exillarating story. I have read articles and other short stories written by Godrescu, and I expected so much more... (Good thing I didn't pay full price.) The story within story set up didn't impress me, but he could have been worked it better. Historical details were Ok, perhaps one day I'll visit Hungary. The gory details were lacking. There wasn't enough anything - not enough gore, not enough history, not enough sex, not enough horror, not enough details; just not enough! To the Author I say: "Read one of Gary Jennings books."
- I thought this book was F\*\*\*ing great!!I cant understand what everyone is complaining about, this book was really interesting, its the first novel ive read all the way through without getting bored. god damn you people if you dont like horror why pick it up in the first place and have a big rant about how "disturbing and disgusting" it is? ITS WHAT A HORROR NOVEL SHOULD BE! I really liked it I give it 5 stars :)
