REVIEW OF IGNORE THE GUY GET THE GUY

- This is a first class, detailed analysis of how the Middle East as we know it today was formed. I would highly recommend that this book is read together with Efraim Karsh's "Empires Of The Sands; The Struggle For Mastery Of the Mid-East, 1789 - 1923", for a thorough grounding in this subject. Recent events have shown that, whether we like it or not, matters pertaining to the region are going to affect us all in one way or another. With this in mind, it is disturbing that most people possess an overwhelming, innocent, ignorance or apathy in relation to the background of the region and the context of ongoing disputes and military struggles. This book provides an excellent public service in bringing essential information to the public's attention. Without books like this, such an ignorance of regional matters such as the Palestinian-Israeli issue and Islamic Fundamentalism can give rise to a distorted understanding of these matters, making the public at large so vulnerable to disinformation and propaganda. The author covers the hatreds, disputes, rivalries, vested self-interests and hidden agendas of those individuals and nations involved and responsible for carving out and mapping the region during the post First World War years. The decision making process is covered in detail with reference to recently opened archives of hitherto official secret documents and private papers. This is essential reading for an accurate comprehension of the region. Some matters will astound you, especially the level of appeasement shown by my own British Government towards the regions' Arabs and how the British, with a swipe of the pen, literally gave away the vast majority of land promised as a new Jewish state, to form the new country of Transjordan. Read on and digest. Once you have read this and the book outlined above by Efraim Karsh, might I respectfully recommend that you then proceed to read Joan Peter's remarkable account of the region entitled, "From Time Immemorial; The Origins Of The Arab-Jewish Conflict Over Palestine". Thank you.
