REVIEW OF GRAMMAR FORM AND FUNCTION LEVEL 2 STUDENT BOOK HAJAKG

- the compact version of "the art of color". itten is like my 2nd grade teacher that answers the "why is it so" in my color brain like liquid sunshine ! he does'nt even show his paintings w/c makes him more SINCERE w/ his message.

- I was expecting to read a book about the Amish. What I read instead was a very self centered book about a woman searching, rather blindly, I felt, for herself. She had very little in the way of insight into Amish life, even after spending a period of time with them. And her inability to get outside of her own head/her own life was not terribly interesting to read. For someone who always longed to be a 'star,' I am sure publishing a book was quite a thrill for her. Shame she used the Amish as a platform for her own ego.
