REVIEW OF 2759022765 FFR2

- Would you at the age of 25 leave home and go sailing around the world? Most of us would want to but only few of us would do it. William Albert Robinson was one of the few who took the adventure. It took him three years, three months, and nine days to do it. Robinson encountered cannibals, and head hunters, and Arab tribesmen who captured him and held him for ransom. He escaped them several times to continue on. He was also a keen observer of social life and customs in the South Pacific Islands. It is entertaining and informative book to read. You will not regret it.

- Sterling Watson is an author everyone needs to get to know. The only problem I had with this book, was that it ended. I want to know what becomes of these so compelling characters. We can only hope that the world can get its hands on a sequel, and soon! The writing is gorgeous. Sweet Dream Baby is an entirely believable (yet ultimately very dark) voyage into the mind of a young boy who slides from youthful, sweetness and innocence down into the murk of an adult world that is too much for him to handle. Travis will just break your heart and you'll thank Sterling Watson for making it happen.
