REVIEW OF MATH GRADE 1 PRACTICE WORKBOOK HARCOURT SCHOOL PUBLISHERS MATH TEXAS

- This book was a page turner! I couldn't put the it down. If you love historical fiction, then this book is for you.
- I initially picked up this book because I loved the movie. I immediately realized that this powerfully written book far eclipsed the movie. Set in the court of Henry VIII, this is the intriguing story of the Boleyn Girls, Anne and Mary. The characters come to life as they fight for the King's affection and advancement of their family. I really enjoyed this book, and would recommend it to anyone who likes historical fiction.
